CHAIRMAN'S ADDRESS

ADDRESS BY THE CHAIRMAN GLOBAL MISSIONS BOARD

Appreciation to All for the Efforts at Growing the Works of the Global Missions Board We thank God for the Nigerian Baptist Convention President, Chairman and Members of the Executive Committee of the Convention, Members of the Global Missions Board (GMB), including its Director, our valued partners, all members of the Nigerian Baptist Convention, other fellow brethren and workers in Christ for the good efforts made to date in advancing the works of the Global Missions Board. May God reward your labour of love.

Thanking God for Surviving the Challenging Time and Delivering on All Key Services

We give God all the glory for His sustaining grace over us all in the last one and half years in the face of the prevailing COVID19 pandemic. When I came on Board effective 1st July, 2020, we could not have in-person inaugural meeting and activities for five months given the restrictions in movements and health concerns. Perhaps for the first time, our all-important Church Growth Conference and Missionary Retreat which often afforded us regular opportunities to share thoughts on our weaknesses and strengths in order to make reassessments in advancing our works for better impacts, were held virtually. Initially, it was also challenging visiting mission fields and missionaries but to God's glory there has been no adverse report from the fields; our zeal and works have not slacked and in the last six months or so several direct visitations have been made by the Director and his team which has been reported on. So not only are we alive at this critical period in human history, but that against the backdrop of limitations brought by COVID19 on everybody, businesses, institutions and nations, to God's glory, the works of missions have not been adversely stalled and we are delivering on all key services and sectors. Our key Ministries, namely, the Frontier Home Ministry with 26 mission fields; the International Ministry with 11 mission fields, and the Specialized, Training/Research/Media Ministries, all have witnessed sustained activities as may be seen in the Director's detailed report, in addition to the robust new curriculum development in the Schools of Missions (located within and outside Nigeria). The new curriculum was dedicated in November 2020. The Schools represent a major avenue for the training and arming missionaries for more grassroots gospel work, especially in remote communities and rural areas that are more difficult to reach. The GMB Schools of Missions in Nigeria include those in Gidan Ahmadu, Katsina State; Minna, Niger State; Oke-Bola, Ogbomoso, Oyo State; the Professional School of Missions, Ibadan, and School of Theology and Pastoral Ministry, Guffanti, Niger State - a partnership between GMB, Nigerian Baptist Theological Seminary, Ogbomoso and Emmanuel Baptist Church, Ilorin, Kwara State and Kwara Baptist Conference. We expect more of such partnerships, including a recent one with an American interest already referenced by the Board.

Expanding and Growing Mission Fields Towards Independence

The GMB which has Home and International Mission fields spanning the length and breadth of Nigeria and across eight African countries and the UK has enormous task to not only nurture mission fields to independence but to expand to new frontiers. In summary, our key goal should be to have mission fields and their churches employ more defined work tasks and targets with some time-bound paths of growth so that they can move towards independence, and then under God's grace to give birth to others. To achieve this, we need cost effective utilization of funds, working selflessly, cooperatively and dedicatedly with minimal conflicts and with the fear of God in all that we do, in order to achieve and even exceed the set goals of gospel expansion.

Looking into the Future in which all will be Involved to Advance the Kingdom Work

Let each Baptist agree to do something in response to God's command. If we can in obedience to God's command, to make disciples of all nations, and deploy our material and spiritual resources in love for the unsaved, so much can be achieved in missions and if we all work with this in mind even when no one is watching, a great deal will be accomplished. This is my central desire and prayer in moving the Global Missions Board forward. The COVID19 period has made us to reflect on life and the certainty of Christ's coming and for all to be involved in mission work. It has also afforded us an avenue to view technologies and new ways of conceiving and executing the mission tasks, including the growing value of the internet and the social media in gospel outreach and we are already responding, especially in being ready to work, meet and execute tasks virtually. We have also seen the need to upgrade facilities and infrastructures to move more seamlessly into the future to face the challenges of mission work.

Another major area of need which is already known to you is funding and we need to explore more innovatively avenues for realizing this. A new strategic thinking in the Board that is emerging may help us to take this forward for more result-oriented and impactful services. We appreciate the Committee that has worked on this. Notwithstanding the ongoing strategic thinking it is evident that churches, groups and individuals can always take up mission tasks, fund GMB programmes; sponsor and build or donate to fund projects e.g. Pastorium, Church buildings, cars etc. The Schools of Missions require funding support especially in the areas of infrastructure (hostels, classrooms and residential structures) and stipends for trainers. We deeply appreciate all who have been supporting and funding and may God reward you beyond measure. I believe grants, endowments and willing your assets to Missions can offer great opportunities to grow the work of God and fund missions.

Wishing all Well - Your Efforts will not be in Vain

Finally, we deeply appreciate all, our missionaries, dedicated office staff led by the Director, Rev. Dr Oluwafemi Adewumi, for working as individuals and a team, sacrificially to deliver services. May God continue to strengthen and reward you all. We very deeply appreciate our partners, donors and prayer warriors towards this God-given assignment of

wining souls to the Kingdom of God. We can see and feel your passion towards missions in spite of the current economic limitations. Our God who is your provider will continue to supply all your needs according to His riches in glory by Christ Jesus and your efforts will not be in vain. Amen.

HARK, THE VOICE OF JESUS CALLING

1. Hark, the voice of Jesus calling,
Who will go and work today?
Fields are white and harvests waiting,
Who will bear the sheaves away?
Loud and long the Master calls us,
Rich reward He offers free;
Who will answer, gladly saying,
Here am I, send me, send me?
2. If you cannot cross the ocean,
And the heathen lands explore,
You can find the heathen nearer,
You can help them at your door;
If you cannot give your thousands,
You can give the widow's mite;
What you truly give for Jesus,
Will be precious in His sight.
3. If you cannot speak like angels,
If you cannot preach like Paul,
You can tell the love of Jesus,
You can say He died for all.
If you cannot rouse the wicked,
With the judgment's dread alarms,
You can lead the little children
To the Savior's waiting arms.
4. If you cannot be the watchman,
Standing high on Zion's wall,
Pointing out the path to heaven,
Offering life and peace to all,
With your prayers and with your bounties
You can do what heaven demands;
You can be like faithful Aaron,
Holding up the prophet's hands.
5. If among the older people,
You may not be apt to teach,
Feed My lambs, said Christ, our shepherd,
Place the food within their reach.
And it may be that the children
You have led with trembling hand,
Will be found among your jewels,
When you reach the better land.
6. Let none hear you idly saying,
There is nothing I can do.
While the souls of men are dying,
And the Master calls for you;
Take the task He gives you gladly;
Let His work your pleasure be;
Answer quickly when He calleth,
Here am I, send me, send me.

REPORT OF FRONTIER MINISTRY HOME

↑ **REV. NOAH ADETAYO ADEDOKUN**
Coordinator

Preamble:

The Lord God deserves all glory, honour and praise for His faithfulness and loving-kindness in our lives. The effect of the lock-down as a result of the COVID-19 is of enormous impact on our mission activities. Despite the global challenges of the pandemic, the work of God is progressing gradually in our fields even though with extra carefulness and thoroughly follow the laying down rule of the government. We shall continue to praise Him for the grace and divine enablement He grants us daily to carry out the Gospel mandate. This report covers the summary of the ministry activities in the areas of evangelism, crusade, film-show, church planting etc. May His name be praised for ever. Amen.

Summary of Ministries Activities

A total of 113,295 people were reached, 3,651 people got saved 1,723 people are going through discipleship, while 323 people were baptized, 12 Churches have been planted in various mission fields (see table for details).

A. Home Mission Emphasis and Week of Prayer

The 2021 Home Mission Emphasis has been published and copies are already in circulation within the Convention family, Institutions and Churches for mission emphasis and awareness. The theme is *Moving Forward: Finishing The Race with joy By Discipling the Nations* and the text is taken from Acts 20:24; Matthew 28:18-20. The Mission booklet focuses on our Missions endeavour in Benue, Adamawa, Akwa Ibom, Apoi/Ilaje, Diaspora Ministry and School of Mission. We are grateful for your support in observing the Home Mission Emphasis and in sending your offerings to Global Missions Board office, we are trusting God that other Churches who are yet to observe theirs will do so before end of June this year. May the Lord continue to use you mightily to advance His Great Commission in our generation in Jesus name.

B. Appreciation of Visitors and Donors to the Fields

- **Leadership Retreat:**

A retreat was organized to sensitize and taught them on “the concept of leadership” in the month of March 2020. We equally began this year 2021 with another leadership retreat with theme “impactful Leadership”. Apart from the interface with the leadership of the Church we have gone to some of our churches like Good news Baptist Church Umuahia, Antioch Baptist Church Amibo and Emmanuel Baptist Church Avon-Ipupe for the same purpose.

- **Revival Programs and Visitation to churches:**

Revival services were held in some of our churches namely: Bethel Baptist Church Bende, Ihechiowa Baptist Church Attani, Arochukwu, Good News Baptist Church Umuahia and Antioch Baptist Church Amibo. We made some visitations to over fifteen Churches out of the twenty churches in the field.

- **Outreaches held:**

We led the members of Good News Baptist Church for two separate outreach programs. People made decisions for Christ; more than five hundred persons were reached and about fifty persons made decision for Christ. Likewise Antioch Baptist Church Amibo had more than ten outreaches in the year in different communities and more than three thousand persons were reached about one hundred persons made decisions for Christ.

- **Baptism:**

Some people were prepared for baptism but COVID19 problem hindered us from baptizing some of them though five people were baptized.

- **Discipleship Programs:**

Discipleship is on going across the state within our churches. In Good News Baptist Umuahia we have more than fifty persons in the list which I am one of the facilitators. We are also mobilizing and sensitizing other churches to buy into this vision.

- **Students And Youth Ministry:**

Partnered with the student Coordinator South East Pastor Joel Titus to anchor two difference programs one was student camp and another was Valentine Splash tagged ‘true

love'. Many youths were reached with the gospel and some made decision for Christ. Thirty-nine persons made decisions for Christ.

■ **Umuahia Mission House:**

We do appreciate the Women Missionary Union of our great Convention who made themselves available to be used of God. The building project they started is at the roofing level now. We pray God to continue to enlarge their financial coast for its completion in none distant time in the mighty name of Jesus.

Adamawa State Home Mission Field

Rev. & Rev Mrs. Joseph Shada

- 402 Souls were won and others rededicated their lives to Christ among them were three (3) Muslims.
- 350 persons received free medical check-up and treatment.
- Discipleship is on going for the new converts.

NEEDS

1. There is need of mission pastors who will take care of the mission churches or you can sponsor those who are working in the field without salary.
2. Need of building materials to complete some of the uncompleted buildings of church auditorium and schools.
3. The missionary need a four-wheel vehicle to be traveling round the field. It is six (6) years now the car given to us has spoil.

Akwa Ibom State Home Mission Field

Missionary Couple: Rev. & Mrs. Royal Ify

- Three new churches were planted namely Glorious Life Baptist Church, New Estate Baptist Church and Amazing B.C, Eket.
- We have started aggressive visitation to all our mission stations to encourage them

and intensify efforts to commence our mission projects, outreaches and church planting.

- Covenant Baptist Church auditorium has been roofed and the church has since moved into the new building.
- We have surveyed 3 locations for church planting in the field this quarter.
- We were able to reach out to some needy members in different locations in our mission field during the lock-down.
- Our discipleship programme is going on in most of our mission churches.
- The University Baptist Church Uyo was planted on the 30th August, 2020 (Convention Sunday) in the city of Uyo, Akwa Ibom State. By His grace, one of our partners accepted to finance the project. He has taken responsibility of the place of worship, musical instruments, chairs, pulpit, Pastor's residence, Pastor's salary etc.
- One of the new churches we planted last year (Glorious Life Baptist Church, Ikot-Akpaden) in Akwa Ibom State University community has secured a permanent land within the community. One of our mission partners has paid for the land at the cost of #4,000,000.00 (Four million naira only).
- A survey of Ikot-Abia in Ika Local Government Area was carried out by the missionary. Redeemed Baptist church Ika which was planted by a Baptist church in Abia was discovered. This church is struggling to survive. We have made contact with some of our mission partners for the adoption of the church. A Pastor has been engaged in the church by His grace.

Anambra Home Mission Field

Missionary Couple: Rev. & Mrs. Isaac Opayinka

- Our Hausa church is doing very well and we are trusting God to provide a land for this church because the shop where they gather for services can no longer contain them.
- Engagement of vibrant and young dynamic Pastors to lead our churches on the field
- We are committed to making the existing churches viable enough to a stage of reproducing themselves
- We therefore engaged in one on one evangelism, house to house evangelism, Leadership discipleship, Membership discipleship, morning cry among many other things through which we reached about 2000 persons with the gospel.
- Eleven (11) persons were baptized into the full membership of two churches among others on the field.

- Five of our mission churches experienced tremendous numerical growth in course of the year.
- Monthly leadership discipleship is yielding great result. We, therefore covet your prayers to keep becoming like the Master Jesus Christ.
- Miracle Baptist Church, Okija children program “Catch them young” is yielding wonderful result beyond the denomination walls of Baptist in the community. Pastor & Mrs. Matthew Oluwale Oyamakin whom God has been using in this church has gone to be a pastor at Akinale Baptist Church, in Ogun State and has been replaced by other person.
- Membership discipleship is thriving and contributing to our members’ maturity.
- The relationship among the Association, churches on the field and their pastors and the missionary is very robust.

CHALLENGES:

1. ***Idol worship:*** Al most every family house in the state has her own idol apart from the community own. We therefore solicit for your prayers for God to open the eyes of their understanding so as to see Christ Jesus the only way to the Father. We want Baptist family to come and carry out soul-winning programmes on the field.
2. ***Inadequate resources for Church Planting and Growth:*** Only one of our missions churches (Pleasant Green B.C., Isinyi Nando) has befitting auditorium. Two have lands but no resources to develop them while three others do not have landed properties. Meanwhile, these churches are growing numerically but they either meet in a small shop or a primary school or an uncompleted building. We plead with the convention and entire Baptist family to come to our aid. The 1 million naira given towards purchasing a land for the Global Missions Church, Ukpok by the Baptist Health Fellowship during her visit to the field in October, 2019 is losing value in bank. We call on well-meaning Baptist to help us raise 2.5 to 3 million naira to secure land for this growing church.
3. Three million naira is needed to get a serviceable vehicle for the missionary. A four wheel drive is highly and urgently needed to enable the work run as expected.
4. Three motorcycles are needed to ease the pastors and evangelists on the field.
5. ***Syncretism:*** Many practice both Christianity and idol worship while some others traditionalists.

Benue State Home Mission Field

Also, material gifts were distributed to Pastors and their wives both in Igede and Benue central Associations. The total number of 1,469 professed Christ out of 31,566 people reached this year.

■ ***Discipleship/Baptism***

The discipleship programme is ongoing in our churches, schools and homes centers as we are in quest for raising agents of transformation for church growth in Benue State. The school has completed German flooring of five class rooms. Also, school has constructed additional 20 desks for pupils. School account: UBA Benue Baptist, NBC 2127357807.

School needs:

1. The school need to be registered with N260,000
2. More classrooms are needed

Also, 13 volunteer instructors (lecturers) were used for teaching courses during this first contact session.

■ ***Medical Ministry***

I was granted opportunity be part of missionaries sent for TTT medical training at Jos. Through our medical outreach, we were able to reach out to 157 people in which 32 people converted. On this, 69 people were seen medically. 15 church leaders from 15 villages trained on Health & Hygiene. Forehead thermometer was always taken to church services to test church members' body temperature during Covid-19. J. THE MAJOR CHALLENGES:

1. **Insecurity** – This has pose great threat to the Mission endeavor on the field.

Kidnapping, banditry and cattle rustling: In the last one year, some of our members and one of our Mission Pastors (Pastor David Garba Alkali of Rahama Baptist Church, Rumache) were kidnapped; millions of naira was paid as ransom before we could secured their release. This has led to temporary/permanent closed of some of our Mission Churches which includes Salama Baptist Church, Lakau, Alheri Baptist Church, Adegbi, Hosanna Baptist Church, Anaita, Salama Baptist Church, Sarari-Tudu, Haske Baptist Church, Sarari-Kwari, Mission Baptist Church, Sarari-Sarki and First Baptist Church, Bataro. Some of our members are moving out of their ancestral villages in hundreds to other safer places. This also led to the relocation of some of our Mission Pastors to safer places (rented apartment).

REMARK:

1. Insecurity has caused serious setback to the Mission work within the field as we experienced series of attacks and still experiencing it on daily basis.
2. Many of our members and Mission Pastor were kidnapped in the year 2020 of which millions of naira was paid as ransom before we could secure their release.
3. Some of our Mission Churches have been closed down while some are still observing skeletal service with fear.
4. Majority of our members have left their ancestral villages which has affected Church attendance and finances.
5. There is great discouragement on the part of the remaining serving Mission Pastors on the field.
6. Two of our Mission Churches have collapsed during the raining season and could not be rebuilt due to insecurity and finance.
7. There is need for the Board to come to our aid in completing the ongoing block of three classrooms with the sum of N3.8million before 2021 rain commence.

NEEDS:

1. Prayer for all the field workers and regular visitation to the field as a way of encouraging those serving on the field.
2. Engaging of 7 Mission Pastors with minimum monthly salary of N30,000 each
3. 1 Generator (6.5 KVA) – for Missionary's use and Evangelistic Outreach -

CHALLENGES/NEEDS

1. Water challenge: During dry season our people are usually faced with challenge of drinking water. We therefore soliciting for three wells at different locations on the field each cost #90,000.00
2. Lack of accommodation: we are in need of hostel accommodations as there is an increase in number of students being accommodated during the schooling session of all our schools. A block of hostel will cost us about # 600,000.00 each.
3. Classroom blocks/School needs: We are soliciting for support towards having more classroom blocks for the various levels of training we have on the field. Support for teacher salaries in order to assist some of our schools where parents are not ready to pay wards school fees nor want wards education because of school fees. We also need volunteer teachers some of our schools are dying because there are no teachers and teaching materials (textbooks, notebooks, etc) and other teaching aids. Volunteer teachers are urgently needed for short term or long term missions
4. We need a bigger chapel at our mission base for our various meetings as the one we currently have is small to accommodate us at the moment. This will cost about #1,500,000.00

5. Small bridges for some community because during rainy season some could not go to worship in churches which is a factor to set back in the growth of some churches.
6. Health Care facility. There is need for clinic on the field, we are therefore soliciting for assistance towards the ongoing clinic project on the field.
7. Discipleship Materials. We need materials ranging from 6 basic lessons to serve the master discipleship materials in Hausa as much as we can get.
8. The field covered two local government area in Niger state so wide that to cover the four axis from Guffanti will take a journey of at least one and half hour to each zone. Serviceable durable mobility is desirable.
9. We need motorcycles for some pastors on the field where mobility seems difficult.
10. We need musical instruments and sound system for field and some of our churches to aid all our evangelistic efforts.

Niger State Home Mission Field, Kamuku

- **Prayers:** Field workers meet every month end to pray for the challenges facing us and God's work.
- **Leadership development:** We held two seminars to empower field workers.
- **Mission research:** We made research and found that there is one tribe name Roggo close to Madaka of Rafi LGA of Niger State. This tribe has no single Christian

presence and they are not engaged.

MISSION FIELD WORKERS

- We are working to get trained Pastors for Kawo, U/Buhari, P/Waya, Mashinyah and UngwanBayero Mission Stations but the challenge of banditry is delaying the move.
- Danladi Kafinta of T/Assun went for further studies at Baptist Pastors' School Gombi Adamawa State for 2 years. If God is leading him he will return back to the station. The field assigned Mr. & Mrs. John Hassan to take over the church leadership for a period of time.

PROJECT

We did the following projects but did not complete them;

1. Missionary's house: We made 3 new windows and fixed them. There is need for additional 4 windows to make, 3 out of the 4 rooms of the house are leaking badly. We need N1.5 million to renovate or re-roof the house and make windows that broke.
2. Grace BC Karaya: The field built 2 rooms, roofed it and plastered front side of it. We built fence, plastered it and dug well in the pastorium. There is need for N100, 000 for doors, windows, flooring and plastering work.
3. Baptist Mission Station T/Assun: The mission station built fence and bathroom but no fund to plaster it. We need N90, 000 to complete the work.
4. Baptist Mission Station U/Bawa: The Church Planter made fence with sticks and covered the two windows with zincs, they are living inside. There is need to re-roof the church because termite had destroyed the wood. We are trusting God to provides N120, 000 for the church re-roof and pastorium work.

THE UNFINISHED TASK OF THE MISSION FIELD

Kamuku people are well reached with gospel and there are 45% Christians among them. There are other Unreached People Groups (UPG) in the field.

1. Targeting UPG: Our targeting UPG are Bauci, Pangu, Supana, Ungwai and Urawa. These UPG are predominant nominal and syncretistic Muslims. If anyone accepts Christ his people will intimidate, threaten, persecute and excommunicate him/her from family/society. This made some converts return back to their faith or become pagans. Christianity is declining among them. Bauci now has only a family that is a Christian. Supana and Urawa as of now has less than 15 Christians while we have only 3 Christians among Ungwai in rural area.
2. Other UPG of the mission field we have not start working with them.
 - UPG without single Christian: Bassa of Mashegu, Igade, Kumonu, Kuserki, Roggo, Sambuga and Sambaro.

- UPG Christianity is declining: Ushammah
- UPG promoting Islam: Fulani, Hausa and Nupe of Wushishi and Mashegu LGAs of Niger State.
- UPG reached but Islam still very strong among them: Gbagi and Kamuku.

3. Bandits met Pastor BitrusBuba (Mission Pastor of Antioch BC Ogbomoso) with his wife on their way from church to home. The bandits collected their new m/cycle with token money in their hand and left without touching anyone of them.
4. Out of 2 Bauci Christian families we have in the land; one died in 2020 and the second family became Gospel worker working with field especially Supana and his Bauci people.

CHALLENGES

1. **Banditry:** This had thrown a lot of people into hardship, poverty, starvation and many more.
- Most villages are raided, houses and foodstuffs are burnt or vandalized, villagers are displaced and some relocated to another places. Most people are killed, kidnapped and ransom paid. Some females were raped.
 - Animals are rustled and most people found it very difficult to farm during raining season.
 - 2 churches are burnt (Emmanuel BC Kuki and Tawali'u BC Rima B).
 - 6 of our Mission Stations from January to February, 2021 can't meet for church worship and activities, the worshippers and villagers temporarily relocated to other places.
 - We stopped people to join us minister the word of God to people because of banditry.
 - Besides, banditry had made some Christians turned into traditional practices for protection.

2. **Health challenges:** 3 Church Planters were hospitalized and did not do farm in 2020. Missionary injured his fractured leg November, 2020 in trying to work and his Blood sugar and blood pressure rose up. Besides, the wife failed sick.

REPUBLIC OF TOGO INTERNATIONAL MISSION FIELD

Rev. & Rev. (Mrs) Bisi Bose Okunola

Missionary Visit to Kara Region

We visited the missionaries in the Grande North of the country – Kara Region, in the company of the Director of Missions and Evangelism of (CBT) with the full permission of the President of their Convention in the month of November 2020. We mobilized four local Baptist Churches in our community for financial assistance, which was successfully done. We visited eight {8} missionary Couples and 27 Church leaders in different locations from 19th to 24th November 2020. We reached out to them holistically; spiritually and some relief materials and money were shared. There was great joy everywhere we visited, we also felt fulfilled.

The Passion of Some University Campus Students

Early in the month of September 2020 a group of students from University of Lome here in Togo Republic called me and related to me of the burden they were having for the young people in one of the Associations. The promiscuity among the Secondary School Students and youths of underage is becoming alarming. We sprang into action; with the collaborations of some of the leaders in the Association we organized three days seminar for the parents and Christian leaders, who we believed will help in giving the right orientation to these youngsters and the youths.

Shifting of Ordination Programme to Nigeria

Six candidates were presented for the year 2020 ordination exercise from our mission field, and all were favorably recommended by the Ordination Council of the Nigerian Baptist Convention. Hence, we scheduled the ceremony to take place at the First Baptist Church Boulevard Lomé, Togo, on the 24th October 2020. But because of the challenge of the Pandemic and its regulatory it was rescheduled to Lighthouse Baptist Church Ibadan as an alternative venue and we celebrated it on 22nd of October 2020.

Sada Baptist Church, Atakpame

Presently we are having some stable members in the Sada Baptist Church Atakpame. We are trusting God for a landed property for the Church that will cost five Million Naira or its equivalent. It is a great concern, because the car garage that the Church is using as fellowship center has limited space and not so convenient, coupled with the challenge of “Social distancing” syndrome. Invariably there is need to move to a more spacious space. Please help us to expand.

BURKINA FASO INTERNATIONAL MISSION FIELD

Brother & Sister Jacob Racheal Adeniji

Ministry to Women in Prostitution:

“... Master, this woman was taken in the adultery, in the very act. ... But Jesus ... said unto them, He that is without sin among you, let him first cast a stone at her. ... being convicted of their own conscience, (they) went out one by one ... and Jesus was left alone, and the woman standing in the midst. ... He said unto her, Woman where are those your accusers? Has no one condemned you? She said, No man Lord. And Jesus said unto her, Neither do I condemn you; go and sin no more.” (John 8:3-11)

We in Burkina Faso Mission Field of the Global Mission Board of the Nigerian Baptist

Convention are not accusers of women in prostitution, neither do we condemn them; we choose to help these women out in all the way we can within the limit of resources God is giving us. The new arrival to Lydia House is Rose from Uyo in Akwa Ibom State. She was trafficked from Nigeria and sold into prostitution in Burkina Faso. She is now under rehabilitation in Lydia House. Lydia House presently partner with various Nigerian Communities in Burkina Faso and Ministry for Social Actions to address trafficking and prostitution issues.

After over 20 years of ministering to Mariam, she eventually came back to Nigeria with her children and she is taking full responsibilities over children. When we met this woman in a prostitution arena in 1998 she was with a 3 years old child she gave birth to in Libya desert. We did not know she was pregnant when we moved her into Lydia House until the day she was to give birth. She moved out of Lydia House a year after child birth and we ran after her.

By the time she came back again she was with another pregnancy and she gave birth the second time in Lydia House. By the grace of God, her first child is now in the university, the second child will write WAEC this year, and her third child is in SS2 in a boarding school, all in Nigeria. It had been a long, tedious and costly journey together, full of tears and laughter. She is presently attending a slimming class in preparation for marriage. Pray that God will raise helpers that will fund various ministries of Lydia House to women like Joy and Miriam in Burkina Faso.

Come Back Home:

Lydia House is in contact with a number of trafficked Nigerian ladies who had weathered the Sahara Desert on their way to Europe with their pimps. Our present approach is to be the friend of their pimps and encouraged both of them to return to us in Burkina Faso instead of continuing wasting their lives in the Sahara Desert. One of these ladies is Kemi, a young Yoruba lady that travelled with a Gambia pimp eight years ago. Kemi gave birth in Tripoli. Her son is now six years old. She and her pimp has being very open to us and we are inviting them to come back to us in Ouagadougou to re-plan their lives and stop taking the risks involved in raising money through prostitution in Libya to enable them pay the ferry fare to Europe. Pray that these stranded youths will consider coming back to us in Burkina Faso. Pray that they will glue to Jesus Christ, their only solution.

Girls for Girls:

Lydia House was part of a weeklong faith and capacity building camp targeting young ladies from the universities and tagged “Girls for Girls.” Various work skills and life skills were taught to participating ladies by other ladies. Social problems, including prostitution and drug abuse, were also discussed. The program afforded Christians girls opportunities to share their faith with their Muslims counterparts in a friendly camping situation.

Discipleship:

Burkina Faso Mission Field, partner with the missionaries of Peace House in the area of discipleship. Weekly discipleship meeting now run in Lydia House. This meeting attracts

pastors, church workers, young and old believers. The aim is to raise more disciples for the harvest of nations. Nearly every month we hold discipleship training conferences in churches within and outside Ouagadougou and periodically we hold discipleship retreats in Lydia House. Pray for strength, provisions and health for the Peace House missionaries in Burkina Faso and their emerging team. Pray that the disciples we are raising will continue to be “Go” army of the Lord in the harvest of souls within and outside Burkina Faso and NEVER a sit-in army that is “at ease in Zion” while souls are wasting.

Pastors:

Pastor Noula Bilimpo Daniel and his wife Noula Martine Tiandama who were trained in the Baptist College of Theology Oyo by Gideon 1 Baptist Association Lagos have fully resumed pastoring of Gideon 1 Baptist Church in Diapaga. Pray that God will bless their work in His vineyard in the Eastern part of Burkina Faso. Pray also for Rev Samuel Akande and his family and their labor in the Fulani town of Dori in the Northern part of Burkina Faso. The North and the East of Burkina Faso are experiencing Jihadists attack. Pray for their safety and the safety of God's people in these places.

We continue to trust God for the coming of Rev. Romain Mofolorunsho Oguntolu to join Burkina Faso Mission Team. God told them to move to Burkina Faso. Pray that the church they were pastoring in Benin Republic will be able to get a suitable replacement for the church. Pray also that God will raise helpers who will partner with them and pay their salary, pension and rent of Rev. Romain Mofolorunsho Oguntolu. These couples are ready to obey God and are willing to work in Burkina Faso without a promise of salary.

Crusade:

Our church planting team held a successful crusade in Tuili in the central part of Burkina Faso. Many people gave their lives to Christ. The converts include wives of Alhajis who now come to church in Tuili wearing their hijabs. Pray that God in His mercy will establish these new believers in the faith of our Lord Jesus Christ.

Water:

The mission field is sinking her second borehole among Birifor people of Burkina Faso. The first borehole was dug among the Tousan people of Sougoutombo by one of the churches that is partnering with Global Mission Board in reaching Burkina Faso. Borehole is a very expensive project in Burkina Faso. Pray that everyone drinking from the boreholes we dug will see Jesus, the Living Water. Pray that the pastors supervising the boreholes will intentionally preach the gospel to the villagers that are fetching the water from us.

Vehicles, Tricycles and Motorcycles:

Our ant-trafficking team urgently needs a 15 seats bus and a 4x4 wheel drive that are strong enough to run after trafficked women in the bush. Our church planting teams urgently need 11 tricycles, video projectors and public address system to run after souls in the villages. Our church planters and project officers urgently need motorcycles, at least 10 in the

immediate and 40 more subsequently. A motorcycle in Burkina Faso costs twice the price in Nigeria. May God depend on you to buy us the above.

Invitations:

Kindly consider buying one of the 100 bags of grains we intend to give out to the poorest of the poor when hunger is at its peak in Burkina Faso. A bag of grain cost N 30,000 naira. With N50,000 naira per year for six years you can pay the school fees of one of the 100 Muslim children the mission intends to sponsor in private evangelical primary schools and with N100,000 naira per year for seven years you can pay the school fees of one of the 100 Muslim children the mission intends to sponsor in private evangelical secondary schools. You can put up a church building for one of our mission churches in Burkina Faso with N 6M naira and you can buy one of the 8 plots of land the mission intends to buy to build the mission base at an entrance to Ouagadougou at N 4M naira each. May the Lord depend on you.

Appreciations:

We deeply appreciate all the brethren who ministered unto us when we were sick. May the Lord who delivered us from death continually deliver you. We also appreciate everyone who prayed for us and contributed money and materials to move the work of God forward in Burkina Faso. May the Lord continue to meet you all at each point of your need. God will not leave you nor forsake you in Jesus Name.

Beloved, our Lord is coming very soon; let us shun the world, preach the gospel and live holy life. Be ready for rapture. Our salvation is much nearer now. We shall go home very soon. Shalom!

COTE D'IVOIRE INTERNATIONAL MISSION FIELD

Rev. & Mrs. Joel Awolola

It is neither by our power nor by our might that we were able to see the end of 2020, which is indeed a challenging year. May the glory be to our God forever, for great He is and His mercy endures from everlasting to everlasting.

Activities in Brief

We started the year with the first semester of 2019/2020 academic session. Initially, I was asked to teach the following subjects to the students who were running Degree and Master Degree programs: Church History, Homiletics, Leadership, Church Growth, History of Christian Education and Practical Preaching. Later, Certificate and Diploma students were also given to me with additional subjects such as: Baptist Doctrines, Overview of Church History, Missions and Church Planting. Apart from the teaching assignment, I preach regularly in the three Baptist Churches in Toumodi, our base, while my wife ministers in songs. Unfortunately, the Covid-19 pandemic negatively impacted our teaching

assignment in the school because the institution was closed for six months. Our preaching assignment was also affected because we couldn't leave our house and for almost two months, our gathering for worship service was restricted to our family. The mission truck which we bought in March was also confined in Abidjan, a city which was cut off from the rest of the country for four months. After the lockdown of Abidjan was lifted and the mission truck brought to our base, we started going out of Toumodi for ministration, as we intended to cover first, almost all the Churches in our region, located in the center of the country before going to other places. Hence, our outreaches led us to the following towns: Yamoussoukro, Taabo, Dimbokro, Béboussou, etc. Our ministry in this land cuts across the Churches of UNIBAM-CI and the Conference of the Yoruba Baptist Churches without any discrimination. We make ourselves available for anyone of them for service.

GMB Churches on the Field and some of their Needs

1. Église Baptiste Sion de Béoumi: She needs financial assistance to settle the balance for the building of a commercial center. She is also in need of choir robes.
 2. Église Baptiste Nouvelle Jerusalem, Abobo-Abidjan: She needs a land that will cost 15 million Francs (about N12 million), for her permanent site, where she will erect her Church building.
 3. Église Baptiste Vie Nouvelle sur la Côte Fonde, Guiglo: She needs financial support of about 300,000 F (N250, 000) to finish the ceiling of her auditorium.
 4. Église Baptiste Vie Nouvelle Douala-Banco, Guiglo: She needs about 400,000F (N340, 000) to do the ceiling of her Church building.
 5. Église Baptiste Vie Nouvelle Mona, Guiglo: She needs around 2,000,000F (about 1.7million Naira) to reconstruct her collapsed Church building.
1. It is important to mention that only one Pastor is shepherding the three last Churches. Hence, there is a need to engage two other Pastors, so that each congregation will have her own shepherd.
 2. Our 2 mission Pastors who are paid monthly N25, 000 (about 29,000 Francs) are finding life and ministry more difficult, because of the high cost of living here. Though from the ministry funds we receive, we augment monthly their salary with 10,000 Francs (N8, 500), yet sincerely, they are always in need and do complain to us.

Major Attainments on the Field

- Though the Covid-19 pandemic caused disruptions in our academic calendar, we were able to complete the session successfully.
- Stewardship Revival organized and anchored in Israel Baptist Church, Dimbokro with good testimonies about the goodness and outpouring of God's favour.
- Prayer Revival took place at Église Baptiste Missionnaire, Toumodi, where God in

His mercy visited His people.

- Pastoral leadership assistance to the three Baptist Churches in Toumodi, when their Pastors are around or not.

Challenges on the Field

- Lack of funds to engage Pastors for newly planted churches and some already existing ones.
- Inadequate supply of resources to execute missions projects like outreaches and retreats.
- Poor visitation of the field by the Baptist Family.
- Deficiency in suitable pastoral leadership.
- Nominalism among majority of people who profess to be Christians.
- Practice of syncretism by many members of the churches.
- Poor salary package for some missions Pastors.
- High cost of living in the land.

Field's Statistics

■ Average Cumulative Worshipers	=	3,000

■ Number of People Reached	=	686
■ Number of People Saved	=	183

Prayer Requests

- Thank God with us, for his abiding presence we experience as a family in the last one year of our ministry in this land and His grace upon our missions Pastors on the field, though we have some challenges.
- As you appreciate the God of Missions for the people and churches that have committed themselves to help this field financially and in other ways, pray that the blessings of God will abound on them and their occupations.

- Be grateful to God on our behalf for his protection over us as we travelled in the length and breadth of Côte d'Ivoire, in the course of supervising the churches on the field.
- Pray God to raise support for our French Seminary here, so as to engage another full time worker in the school and add to the work force of the institution.
- Pray that God will raise more individuals and Churches to meet the numerous needs of the field. These include, landed properties to erect church buildings, completion of existing projects and better salary package for the missions Pastors, etc.

REPORT OF SPECIALIZED MINISTRY

↑ **REV. IKWEKWA SOLOMON**
Coordinator

APPRECIATION

Indeed our profound appreciation is to God Almighty, who in his power and might spared our lives and property from destruction during the raging crisis period across the nation which reached its peak by February, 2020 with the advent of the Corona virus pandemic.(Covid 19).

Our thanks also is to the Board for providing all necessary assistance that enabled us to scale through the storm. We also appreciate the Baptist family for their resolve to 'seek the lost' in season and out of season especially those who in the midst of all the inconveniences in the country; visited the fields, sent their gifts and support and those who quietly and secretly offered their prayers for the advancement of kingdom work across the globe.

May the Lord who sees and rewards in secret and public; reward you all in Jesus name Amen.

OKERETE/ORITA MISSION FIELD

Appreciation:

All Glory and praise to the almighty God for His Mercy and Grace over the lives of the Missionary, Rev'd & Mrs. Akintayo J. Babatunde, Staff and all the Members in the entire

Mission Field.

Our work recorded a great measure of growth and advancement in the year 2020 despite the outbreak of Covid19 pandemic during the year. We are also grateful to all our mission supporters within and outside the Oke-Ogun Baptist Conference, those who prayed those who gave a token, those that send recharge cards and more especially those that visited the Field despite the long, rough and rugged road to the Field. It is our prayer that the Lord of Mission will reward all of you accordingly in Jesus' name.

Outreaches:

Several outreaches were conducted in different villages including personal House to House Evangelism on weekly bases within our Churches. We are able to reach out to about 2,500 people with 60 converts who gave their lives to Christ and so many other rededications;

while about 30 are undergoing Discipleship training in their respective Churches.

Church Planting:

No newly planted Church this year, But efforts are more on discipling the members especially Victory Baptist Church Iyenite, Formally known as Budo-Wule. Thank God for the lives of the MMU of Saki Orisun-Iye Baptist Association who engaged a Pastor for this Church. The Church is going through rapid development.

We are still unable to roof the church due to lack of fund. With nine bundles of iron sheets on ground. We believe God can use any group/individual from any quarter for provision of six iron windows and three doors including the labour for the carpenters.

This will be the only first Pastorium built since the inception of the Mission Field. Please support us for the rapid completion.

REPORT OF TRAINING, RESEARCH & MEDIA MINISTRIES

↑ **REV. OLUSEGUN MAKINDE**
Coordinator

INTRODUCTION:

We give glory to God for seeing us through perhaps the most turbulent year in this century. The year 2020 was marked by a prolong break of activities in the office as a result of Covid 19 Pandemic followed by the “End-SARS” protest nationwide. After about four months of nationwide lockdown, the office partially resumed activities in early August of 2020. The Training, Research and Media operations started in earnest with the cooperation of all the staff members. The Ministry continues to struggle due to shortage of staff members. Last year we reported that three experienced staff members- Rev. Benjamin Areo, the Unit head of Media, Rev. Sayo Odetunmbi, the Media Officer and Mr. Tunde Ayanlere left the Media ministry for transfer of service, redeployment and study leave respectively. This current year the staff situation has not improved. On a positive note Mrs. Grace Akintola the Secretary in the ministry, successfully put to bed a male child on the 14th of September 2020. These limitations notwithstanding, the ministry was able to carry out her responsibilities with success. The summary of the reports of the units that make up this ministry is given below:

PARTNERSHIP WITH A SUPPORT GROUP FROM AMERICA:

Toward resolving the problem of infrastructure development in our school of missions, GMB has been favour to enter into partnership with a Support Group from USA through the effort of the Chairman of the Advisory Committee for Training Research and Media Ministry in collaboration with GMB Director. Dry Season School of Missions: The three active Dry Season Schools of Missions of GMB: Gidan Ahmadu Danjaji in Katsina, Minna in Niger state and Oke Bola Ogbomoso, successfully completed their contact session in March but the schools of missions in Minna and Gidan Ahmadu were not able to hold their graduation in 2020 because of the prevailing Covid 19 pandemic and the nationwide lockdown. However, the three Dry Season Schools of Missions resumed early January 2021 for this year's academic session and had a successful graduation on 29th March for Gidan Ahmadu, 30th March for Minna and 1st April for Oke Bola Ogbomoso.

a. School of Missions Minna:

The school faced series of challenges in the recent years. We thank God the Principal has recovered from motorcycle accident which led to leg fracture and subsequent prolong

delay in the progress of the work on the field. In addition are the bandits who have been ravaging the entire Niger state, laying siege on the field, kidnapping people and crippling both missions and economic activities on Kamuku field. These notwithstanding the followings were achieved:

1. Total Enrolment in the School: The total enrolment in year 2020 was 53 and in 2021 it increased to 69. Lack of space to accommodate the students has been responsible for lower registration. The enrolment is expected to rise after the completion of the hostel.

2. People Groups in the School: At present the school has 9 distinct unreached ethnic groups enrolled for training: Dukawa, Dakarkari, Fulani, Gbagi, Kamuku, Koro, Ushammah, Eggon and Ninzo people of Nasarawa state. The possibility of training many ethnic groups at the same times makes the school a unique strategy to reach the unreached and advance the frontiers of missions. This school in addition to the Baptist members is also serving the body of Christ by training workers from other denominations and mission agencies for the harvest e.g. Evangelical Church Winning All (ECWA), Haddadiyar Ekklesiya Kristi A Najeriya – United Church of Christ in Nigeria (HEKAN), United Missionary Church of Africa (UMCA), Christ Missionary Foundation (CMF) and Cherubim and Seraphim.

3. Ministry Activities by the Students:

- **Missions:** In spite of the pandemic, students have continued to reach out to the unreached in their domains through personal witnessing, loving relationship, tracts, preaching with Hausa and Fulani Bible on megaphone. Some people have been saved through these efforts.
- **Church Planting:** Students started 5 Churches from 2019 to 2020. The challenge of banditry prevented them from outreach and Church planting in 2021.
- **Church Growth:** The students have continued to work in strengthening and growing weaker Churches in the interior where highly theologically trained Pastors are not available.
- **Spiritual Activities:** As part of the practical training, the students are engaged in regular fasting and prayer for divine intervention in the ongoing projects in the school, issues of kidnapping and banditry in the state, among other things.

4. Graduations for 2020 and 2021 set: The graduation of the 2020 set of School of Missions Minna that was suspended because of Covid 19 pandemic was held together with 2021 set on 30th March 2021.

5. Building Project at the School of Missions Minna: GMB has received counterpart fund from a Support Group for completion of the ongoing block of 3 classrooms, perimeter fencing of the school and construction of 10-room hostel. Effort is ongoing toward the completion of the fence and the block of three classrooms. The two projects are near completion while the hostel is about to take off.

6. Completed Project: The borehole embarked upon last year has been completed and it is now serving the school thus putting an end to the problem of portable water in the school. The work on the block of three classrooms has been completed to level of painting.

7. School Bank Account: The school has opened two Bank accounts for transparency in the use of money designated for the ongoing projects in the school. The first account is a saving account with Union Bank while the second is a current account with Zenith Bank Plc. The Bank details are –

§ **Bank Name:** Union bank Plc; **Account Name:** Baptist School of Mission Minna; **Account Number:** 0138834817.

§ **Bank Name:** Zenith bank Plc. Tunga-Minna branch; **Account Name:** NBC-Baptist School of Mission Minna; **Account Number:** 1017519552.

The signatories to these accounts are: The Principal of the school and Secretary of the school Advisory Committee, Rev Solomon Lanza; the Chairman of the school Advisory Committee, Rev. Dr. Ebenezer Osadeyi and the Niger-Kebbi Conference President Rev Dr. Tanko Obed.

8. Visitors and Donors:

- Men Missionary Union of Victory B.C. visited on the 22nd February 2021 and donated foodstuffs to students
- Tawaliu B.C. Dutsen Kura donated ₦9,730 toward the building of the hostel.

b. School of Missions Oke Bola via Ogbomoso: The school completed academic activities for 2020 session but the graduation which was planned to hold early March was suspended due to Covid 19 pandemic. The graduation was later held on the 17th September 2020. The school continues to utilize her radio program on Parrot F.M. Ogbomoso to promote and create awareness for her programs and responses have been great. The Interview for new students was conducted on the 10th August, 2020 and the school resumed on the 4th of January 2021. To the glory of God, GMB School of Missions Oke Bola is now 20 years old and the 18th graduation was held on the 1st April 2021. SOM Oke-Bola continues to operate tripartite ministry on the site: the Dry Season School of Missions, Rehabilitation and Discipleship center and Nursery and Primary School. The following were brief updates of the school in the past one year:

1. Total Enrolment in the School: The total enrolment in the school is 47 distributed as follows: year one 12 students; year two – 21 students and year three 14 students. The school cannot increase student's enrolment because of the limited accommodation. Some students were denied admission last year because of insufficient accommodation. We trust God to build a guest house to free up four rooms out of the hostel block currently occupied

by staff members.

2. **People Groups in the School:** The students are from 7 diverse distinct groups namely: Yoruba, Fulani, Zuru, Tiv, Igedes, Taminis (Benin Republic), and Ewe (Togo).

3. **Ministry Activities by the Students and Staff members:**

Here are some of the highlights of the works done in Research and Statistics Unit

1. **Missionary and Office Staff Personal Profile:** Effort was made to redesign and administer field missionaries and office staff personal profile form. We have been able to input 120 forms of Supervising missionaries and mission Pastors, and 33 of the office staff into our database.
2. **Research on Ibadan City:** The research officer looked for a relevant book titled "*Repairing Ruined Cities*" to be informed on spiritual mapping of Ibadan and to guide us in writing informed prayer point and be actively involved in interceding for the city.
3. **Research on major cities and towns in Niger Republic.** This is done in the office in collaboration with the Missionary on ground with the aim of using the information for mobilization of Baptist family toward active engagement.
4. **Effort toward recovery of past pledges:** God led the research team to initiate calling those that made financial pledges to GMB at the past Conventions during the Global Missions Hour. This initiative of putting calls to individuals seem to yield better results than the earlier step of sending bulk sms-messages at once to all who made pledges.

C. MEDIA MINISTRY:

1. **GMB Staff Members Personal Profile:** The unit was able to administer and compile GMB Staff members (office staff, supervising Missionaries, mission Pastors, Church planters and Evangelists) personal profile. A total of 120 and 33 forms of missionaries and office staff were compiled and inputted into the database.
2. **2020 National Church Growth Conference Planning:** The media team worked on the possibility of virtual and physical National Church Growth Conference. E-fliers were designed for social media mobilization and the Nigerian Baptist Magazine and registration of participants was done online. The conference was successfully hosted with the support of Orita-Mefa Baptist Church Media Crew. The teachings and devotions at the conference were uploaded on the internet for participants to access.
3. **Mobilization Toward Increase in Attendance at Church Growth Conference:** Massive mobilization in the social media for improved attendance at the National Church Growth Conference was done by using NBC Pastors Instagram platform, face book, GMB Whatsapp platforms, sending of bulk sms to active attendees, sending of e-fliers across social media platforms and hardcopy fliers for Ibadan churches, creation of meme and images for social media, making short videos from

past interviewed during CGC 2019 and uploading them on Youtube, Using paid advert platform of facebook and through text messages.

4. **Production of Banners and fliers:** Two big banners and fliers were made to promote Church Growth Conference.
5. **Bill board:** Design and re-fixing of new bill board for GMB was done by the media team.

9. **Mission Video:** Plan is on to start GMB YouTube TV where GMB mission works, mission talk and current issues on missions will be shared. This will involve 52 weeks recording of mission personality and stakeholders speaking on missions and strategies for better output.
10. **Media Service Report:**

SPECIALIZED MINISTRIES

While we remained grateful to all who partnered with us in the course of ministry in one way or the other; we also wished to place on record the mission efforts of the following:

WMU of Blessed Baptist Church, Port Harcourt: These tireless women of faith and mission supported by their Pastor- Rev Bricks visited the field for the purpose of revisiting all mission churches where they have worked in the last seven years in the field. It was awesome, revealing, encouraging and demanding for more efforts. Their effort is commendable as they did not allow the COVID 19 They came with household gifts and cash gift of N10,000 to all the Churches visited within the period including supporting the Missionary's family with N10,000. and all its lockdown to deprive them from coming to the field.

WMU of Ekpeye Ogbogolo: They visited the field on to identify with the brethren which actually encouraged and strengthened the Church. These women also supported the ongoing building project of Unity Baptist Church, Umusharam with three windows at the cost of N50,000. They also supported the Missionary with a N3,000 cash gift.

RBC G. A. Organization: This group of young girls also supported the Unity building project with two windows at the cost of N30,000

MMU of New Height Baptist Church Port Harcourt: This church has not relented in providing succor to three pastors on the field by supporting their family welfare with the sum of five thousand naira (N5,000) every month in the last seven years. This has actually aided and encouraged these Pastor's families.

New Height Baptist Church Port Harcourt: This church led by Rev. Femi Oyekan entered into a partnership relationship with the field this year 2020 to deploy her discipleship training team every week, month and quarter of the year in our dare need to making discipleship a lifestyle for every Baptist family member in Etche. In this they have been faithful even in the midst of the so many challenges that may have instilled discouragement.

New Heaven Baptist Church Port Harcourt: The Pastors and their families where not only refreshed and blessed spiritually when in February this church hosted the twenty-three Pastor's families in a two-day retreat in the church premises in Port Harcourt with 100% sponsorship of the feeding and accommodation; but they were also palliated during the Covid 19 when the church sent the sum of N230,000 as palliative for Pastors and Missionary on the field.

Rivers Baptist Conference Deacon's Fellowship gave the sum of N100,000 towards Zion Baptist Church building extension project and N5,000 to the missionary's family

A Brother from Rhema Baptist Church Port Harcourt gave the sum of N70,000 to meet ministry need on the field and N30,000 for the missionary's welfare.(this kind gesture helped us to offset the accumulated Pastor's rent at Omuma. Also, in December 2020, he gave another N70,000 to meet ministry needs on the field and N30,000 as Christmas package for the missionary's family. This also helped us to meet the challenging need of a generator for the mission house which the missionary augmented to purchase a new generator at N105,000.
